

SAMPLE ASSESSMENT QUESTIONS - BRONZE  
NAVIGATOR AWARD

[PC relates to the specific performance criteria in each learning outcome]

These questions can be answered at any time during or at the end of the course and can be done written or orally. It might be possible to ask some questions in an open questioning session so that everyone contributes to the answer and benefits from the answers of others.

Remember that some candidates may have deep-seated anxieties about formal 'exams', so be low key in your approach to this and sensitive to these anxieties.

A 'Pass' is required in both the Planning Knowledge and the Supporting Knowledge sections to 'pass' overall.

**LO3: Planning Knowledge**

**PC3.1**

1. From a map provided by the tutor, identify a short circular walk using Bronze strategies you have learned. (This could be done with a felt pen on a laminated A4 printout). (5)
2. From the above route, choose one section and work out how long it should take. (2)
3. List 5 issues to consider when planning a Bronze Navigator walk. (5)

**PC3.2**

4. From the route made in Q1, create a record of your route for leaving with someone else. Include in your record: - Start and end location, details of the walk, safety concerns, alternative options, number in your party, what equipment you may take. (6)

Possible total: 18

Pass mark: 9

## **LO4: Supporting Knowledge**

### **PC4.1**

1. Provide 1 example from the terrain used on the course of
  - a. A local access issue. (2)
  - b. A national access issue.
  
2. Provide 2 examples relevant to the walks done on the course of -
  - a. The Countryside Code or the Scottish Outdoor Access Code (4)
  - b. Your personal responsibilities when accessing the countryside.
  
3. Give an example of how you might reduce your impact on the countryside. (1)
  
4. Give an example of how you might mitigate for your impact on the countryside. (1)
  
5. Where can you get information about access legislation? (1)

### **PC4.2**

- Q6. List four items of equipment you should take on a Bronze level walk? (4)
- Q7. How should you - (4)
- a. Look after your compass
  - b. Attach it to yourself

### **PC4.3**

- Q8. List two basic priorities when dealing with an emergency or accident. (2)
- Q9. You are on a walk wearing your new boots and start to develop a blister. List one thing you could do to relieve the problem. (1)
- Q10. You are on a walk with a pal who slips and sprains an ankle. What are the key things to do? (3)

Possible total: 25

Pass mark: 13
