## Would you consider becoming a Trustee?

The NNAS is a charity and is overseen by a Board of Trustees, comprising existing NNAS Providers and appointed Trustees. There is space on the Board for four more Trustees and we invite you to join us.

In particular, we need people who have experience of running ODA and also welcome applications from under-represented groups. If you can bring wider experience, for example financial skills, marketing, the charity sector, then we would love to hear from you.

Commitments include five Board meetings a year, a series of subgroups that meet infrequently, usually by Zoom, and our annual AGM.

If you would like to know more, please speak to Jane in the office, or email Pete Hawkins

## Reminder of the AGM conference

We are sure you are aware by now that the NNAS 2022 AGM is coming up on Saturday the 26th November, and that we have a selection of workshops on Friday the 25th and the Saturday itself.

If you haven't booked a workshop yet, but would like to, the links to further information and booking are on the previous newsletter and you can view this [here](#).

Please note that the North England Moderation training session will not be going ahead at this time. A new date for this is to be decided.

**[2021 AGM draft minutes](#)** are on the NNAS website, as is the
